

## **March 12, 2020 UPDATE**

Dear Parents,

I really need your help getting the word out. After speaking to and receiving recommendations from the Ashland/Body County Health Department, the Kentucky Department of Charitable Gaming and the Diocese of Lexington **we are postponing our Luck of the Irish Party that was scheduled for this coming Saturday, March 14<sup>th</sup>. Please reach out to people you sold to and give them our new date, May 9<sup>th</sup> at the Elks😊**

We are being asked to be proactive as opposed to reactive. We are being asked to be mindful of gatherings and meetings that involve people being in close proximity to each other. **Our 5K is an outside event so it will go on as scheduled.** If that should change I will let you know!

**I promise to keep you updated through reminds, Parent letters, and through our website. I've asked the staff to prepare materials for students and send those home in the event of a school closure.**

Prayers that all stay healthy and this passes quickly!

*Mrs. Kempf*
