### Week of March 16, 2020

Dear Parents & Students,

I sent home a packet with the students this past Friday. The main thing it included was the comprehensive vocabulary list that they will need to study for the final exam. They also have an assignment dealing with the identification of certain people, places and concepts of religions in the Far East.

Additionally, for sophomores this week, they have a reading assignment (pp. 378-396) and complete study questions on p. 396 (#s 1,4,9,12,14, and 16).

Freshmen will complete the "For Review" questions on page 25, #s 3,4, and 5. Lastly, both groups will watch the YouTube video : National geographic Documentary- The Maya: The Lost Civilization (52:49) Take notes(10 items, can be facts, persons, concepts, beliefs)

If you have any questions, please do not hesitate to contact me.
