**Please remember to do your Alek**

## **Math 6:**

We will be working with percents and hopefully a little bit of probability.

## **Math 7:**

We will be working with linear equations.

## **Math 8:**

We will be working with the Quadratic Formula and completing the square.

## **Geometry:**

We will be looking at circumference and arc length.

## **Algebra II:**

We will take our final hopefully Tuesday or Wednesday. We will then try to look at matrices.
