MATH MAP Testing Completed

Math 6:

We will have our first chapter test this week. We will then look at types of graphs.

Math 7:

Mid-Chapter test over sections 2.1-2.3. We will then begin multiplying and dividing integers.

Math 8:

We will be adding and subtracting rational numbers this week.

Geometry:

We will have a test over chapter one this week. We will then look at conditional statements.

Algebra II:

We will be working with slope and types of equations this week.

UPCOMING EVENTS

September 29th:

Spirit Jean Day

Oct. 4, 5 & 6
