

Miss Redden's English Class

September 12th – September 16th

All Classes: All classes will have their second vocabulary quiz on Friday.

Sixth Grade: Students will take a quiz over figurative language. They will also learn about singular and plural nouns, concrete and abstract nouns, nouns as subjects and subject complements, nouns as objects, and possessive nouns.

Seventh Grade: Students will learn about nouns as subjects and subject objectives, nouns as objects and object complements, appositives, and possessive nouns.

Eighth Grade: Students will learn about nouns as subjects and subject complements, nouns as objects and object complements, appositives, possessive nouns, descriptive adjectives, positions of adjectives, comparative adjectives, and superlative adjectives.

High School: Students will learn about affixes, denotative vs. connotative meaning, nuances of word meaning relative to connotation, denotation, diction, and usage, and context clues.
