

Miss Redden's Social Studies

Week of January 4th – 8th

Sixth Grade: Before break we finished the geography of the United States and Canada. This week we will begin our unit on Latin America. We will be covering physical geography, natural resources, climate, and cultural geography.

Seventh Grade: This week we will be working our unit on the Constitution. We will cover roots and principles, the three principles and checks and balances, the amendments and citizenship

Ninth Grade: We will be continuing in where we left off before break with the Federalist Era. We will cover Alexander Hamilton and the National Bank, taxes and tariffs, and the western Expansion and northwest territory.

Tenth Grade: This week we will start working on the Great Depression and New Deal. We will be covering the financial collapse, its effects on Americans and Hoover's response, FDR and the first New Deal, and the attack of the New Deal.
