

January 12, 2020

Greetings from the Principal,

We are not in school on Monday, January 18 as it is Martin Luther King Day. Please remember if you are traveling for the long weekend to bear in mind the protocols of hand sanitizing, physical distancing, and wearing of masks. Let me know if you are traveling and we can discuss the options of quarantine for your child. We will keep them up with their work if quarantine is needed. If you are not traveling for the weekend, please make sure you are still following the protocols when at home and when you are out and about in our area.

Folks I know this is not easy, but we are proving what we have in place is working. Stay the course and be diligent and we will see this through together. I have met with KDMC and the area Health Departments and our staff that want the COVID shots will probably get them the 1st week in February. Please note there may be the possibility of an early dismissal or ½ day school day for staff to get their shots. Unfortunately, I won't know until the shipment is here what the details will look like. I will keep you updated.

Bishop Stowe will be celebrating Mass on Sunday, Jan. 24 during School Choice Week and to kick off Catholic Schools Week the following Sunday, Jan. 31st. Details will follow as soon as I have them.

Catholic Schools Week runs from January 31 through February 6. We are working on some fun and safe activities to celebrate during that week. Thank you for choosing Holy Family School for your child and for all your support during this unprecedented time!

Remember as always, Pray Strong, Irish Strong,

Yours in Christ,

Mrs. Kempf
