

**FROM THE OFFICE OF THE PRINCIPAL**

**Monday, March 4, 2019**

**Greetings from the Principal,**

It doesn't seem possible that it's **March**, but here we are. Don't forget tomorrow is **Spirit Day and Kona Ice Day**. Students may wear jeans and a Holy Family Spirit shirt.

Friday is the **end of the third quarter**. Report cards will come home in Monday packets on March 18<sup>th</sup>.

**Our Luck o the Irish Party** is right around the corner. Please return all stubs and monies to the school office ASAP. We are also having our Leaping Leprechaun 5K that morning. So, racers and sponsors and event volunteers needed ASAP! Also, if you are able, race organizers would appreciate donations of bottled water for race participants.

I have been asked if we have to **make up the two days** that we missed. The answer is no, and the reason is with the permission of the Superintendent we are allowed to bank hours. Let me explain what that means. The state of Kentucky requires that students have 1062 hours of instruction. Our day begins at 7:50 and ends at 3:05. Our number of hours of instruction far exceeds the requirements of the state mandate. Therefore, we do not have to make-up days because honestly, we've got it covered 😊 and then some.

Congratulations to Chloe DeGiorgio and Logan Gibeaut for qualifying for the **state archery** competition on March 15<sup>th</sup> and March 16<sup>th</sup>. They will be competing on Friday the 15<sup>th</sup> in Louisville, KY.
