

April 26, 2021

Greetings from the Principal,

We are excited to be working with a company by the name of Future Energy Solutions and we are getting all our lighting replaced and upgraded. The changes will be happening very quickly, possibly before schools out.

New mulch has been ordered for our playground and will be delivered and spread next week.

Midterm grades should have already come home. I may have had the wrong date in last week's Parent Letter. Our final day of school is Wednesday, May 26th with a noon dismissal. 😊

We have two special weeks coming up; celebrate Jaxon Holley week and Staff/Teacher Appreciation!

Jaxson Holley is a second-grade student at Holy Family School. He was diagnosed with Leukemia just a short time ago. Jaxon had a birthday on April 25th. We wanted to celebrate that occasion by giving Jaxon a special week. Each day, this week April 26-30th students can pay \$1 a day to participate in a special themed dress down for Jaxon. If you'd like to donate more that's okay too. All money collected will go to Jaxon and his family. Let's make Jaxson feel the love of our wonderful family, Holy Family School! Check out our website for daily themes for Jaxson's special week. 😊

Students may do their Mother's Day shopping this week right here at school. Please see the flyer that went home and is also on our website for pricing and scheduled times. All proceeds will go to Jaxson and his family. 😊

May 3rd – 7th is Staff/Teacher Appreciation Week. We will have a special way to thank our staff daily, but I encourage you to remember this AMAZING group of people who we are Blessed at Holy Family to call staff and teachers.

Yours in Christ,

Mrs. Kempf
