

May 23, 2022

Greetings from the Principal,

Our Beauty and The Beast Production last week was Sensational!!! The students did an Amazing job. Mrs. Sarah Carothers did a Great job getting our kiddos ready!!! A job, well done by all😊!!

There are just **two and a half days left in the 2021-2022 School year**. It doesn't seem possible but here we are. Wednesday is an early dismissal at noon. Students will receive grade cards and any individual awards in their classrooms that morning.

Please make sure student's **fees and tuition** are current to register for the 2022-2023 School year and to receive grade cards.

We are continuing **interviews** for new staff members for next year. My goal is to have the positions filled as soon as possible.

Make sure you check with Mrs. Cumpston, Mrs. Ward and Mrs. Redden about **Summer Camps** in June and July at Holy Family.

Have a Wonderful, relaxing, and safe Summer Break. Be sure and check in with our website holyfamilyashland.weebly.com for updates and information for the upcoming school year. My last day on campus will be June 30th. Thanks so much for the support over the last five years. I'll be popping in from time to time plus I'll see you many of you in church😊!

Yours in Christ,

Mrs. Kempf
