

May 29, 2021

Greetings from the Principal,

WE DID IT!!! The 2020-2021 school year is in the books. Working together is what we do best at Holy Family School and by gosh we proved that this year! 😊 I am so excited for the hustle and bustle of what this summer is going to bring! We are going to have a GREAT year at Holy Family next year. We will be ready, 2021-2022 bringing some normalcy back 😊!!

We have several camps going on this summer. Flyers for Basketball Camp , Preschool Camp, Science Camp, Summer Camp, Theatre Camp, Volleyball Camp as well as a Cooking class all have been sent home and are available on our website @ holyfamilyashland.weebly.com. All camps will follow protocols in place at the time of the camps.

The office hours are a little different in June and July. We will be open from 9:00-12:00 Tuesday, Wednesday, and Thursday. Please feel free to call 606-324-7040 to leave a message or set up a tour.

Enjoy your summer break. Be safe and be smart when it comes to protocols of the area you are traveling to. 😊 Most have relaxed their protocols, but it doesn't hurt to check and then comply if needed.

Yours in Christ,

Mrs. Kempf
