

Tuition Discount Program (Grades Pre-10)

Congratulations! You have made the right decision to join Holy Family Schools. For doing so, we are offering both you and the person who referred you \$500.00 toward tuition for the 2019-2020 school year.

This coupon is valid for newly enrolled Holy Family student's grade Pre-10, for the 2019-2020 school year. It must be presented at the time of registration. "Newly enrolled" is defined as "new to the Holy Family System, or having been away from the system for an entire school year."

Please completely fill out the information below and be sure to identify the person who most influenced your decision to enroll. This person will then receive a \$500.00 tuition voucher to be applied toward tuition in grades Pre-10. If this person does not have a student currently in the school system in grades Pre-10, they may designate a currently enrolled student (Pre-10) to receive the \$500.00 voucher. If a family is enrolling more than one child, each child is eligible for the \$500.00 coupon. The referrer will also receive a \$500.00 voucher per child as well.

The Treasurer of the school will issue the referrer's tuition voucher(s) after the newly enrolled student returns this coupon to the school office. The referrer can influence as many enrolling students as they wish, however, tuition vouchers cannot exceed the cost of the tuition, and current Holy Family referrers must have all fees paid to date to receive the credit.

The tuition discount will be pro-rated for both parties over the entire school term and is only good for the 2019-2020, school year. Should the new student leave the Holy Family System before the school term ends, the referrer's tuition resumes at the regular rate. If the new family enrolls after the beginning of the school year, the \$500.00 discount will be pro-rated for both parties.

The Holy Family Principal will determine, on an annual basis, the individual grade level capacities and may restrict the number of students per grade to reach class capacity. Therefore, the program operates on a first-come first-serve basis.
